One day Strawberry Shortcake and her friends went berry picking—but there were no berries to pick! A flock of Berry Birds was eating every berry in sight.

"Those Berry Birds are berry bad," Strawberry said. "But I know what we can do: Plant a whole new crop of berries! It will be like a dream come true."

Decorate the scene with the stickers.

"Not so fast, children," cackled a strange voice. "This land is mine!"

It was the Peculiar Purple Pieman of Porcupine Peak! Sour Grapes was right behind him.

"But it's Strawberry's dream to grow a berry patch here," Orange Blossom said.

"Well, it's my dream now," the Purple Pieman sneered. "So get off of my land!"

Strawberry Shortcake and her friends were berry sad, so Strawberry had a sleepover to cheer everyone up. That night everyone was dreaming berry wonderful dreams when, all of a sudden, Strawberry was awakened by a strange light. She opened her eyes to find a Sleepbug fluttering in front of her!

Use the stickers to show what each friend is dreaming.

"The Purple Pieman and Sour Grapes have taken over the Sandman's Dream Factory in the Land of Dreams!" the Sleepbug squeaked. "He wants to steal your dream so he can make the berries grow and keep them all for himself!"

"Oh, no!" Strawberry exclaimed. She woke her friends and told them the Sleepbug's story. "We have to get to the Land of Dreams and stop the Purple Pieman!"

"How are we ever going to get all the way to the Land of Dreams?" asked Angel Cake.

"Yeah, I thought it was across a sea of stars," added Lemon Meringue.

"I've got it! I'll build a Dream Boat and we'll sail to the Land of Dreams in it!" exclaimed Ginger Snap.

Use the stickers to decorate the night sky.

The girls worked berry hard helping Ginger build a wonderful Dream Boat, and soon they were flying through the night sky to the Land of Dreams.

Once they landed, the Sleepbug led them into town and right into PJ's diner.

"Welcome to the Land of Dreams," said PJ, "where if you can dream it, you can make it happen. What brings you kids here?"

"A Sleepbug asked us to come. He said the Sandman needed our help," Strawberry replied. "Do you know where we can find him?"

"Did someone ask for the Sandman?" said an old man nearby. "That's me. Or it *was* me until the Purple Pieman took over my Dream Factory."

"Don't worry, Mr. Sandman, we're here to help you get your factory back!" exclaimed Strawberry.

The Sandman helped Strawberry and her friends sneak into the Dream Factory and hide in a large bin.

"Look!" whispered Orange. "That mean old Pieman is keeping all of the dreams for himself!"

Suddenly, a Berry Bird spotted them hiding and told Sour Grapes.
"Catch them!" screamed the Pieman.
Strawberry and her friends ran and hid, but the Sandman was captured!
"Lock him in the cage," sneered Sour Grapes to the Dream Builders.
"We have to save him," Strawberry whispered to her friends.

"I think I can help," whispered Lemon. She closed her eyes and dreamed of being a beautiful fairy. Suddenly Lemon transformed into the fairy of her dreams! She used her wings to fly up to the Sandma

Orange Blossom wanted to help, too. She dreamed of herself as a trapeze artist and swung over to open the cage.

"Let's drive the Purple Pieman back to Porcupine Peak!" said Ginger. She dreamed up a race car and hopped inside with Strawberry. The Pieman and Sour Grapes tried to run, but the girls chased them into a corner.

Then Angel Cake dreamed of being a rock star. She sang the Pieman and Sour Grapes to sleep, and the Sandman sent them back to Strawberryland on a dream cloud.

Use the stickers to decorate the scene.

That night, everyone in the Land of Dreams celebrated. The Dream Builders cheered as Strawberry and her friends marched in a big parade back to their Dream Boat.

"Thank you, girls, for everything!" exclaimed the Sandman.

"Now hurry on home, but don't forget: As long as you believe, you can make any dream come true!" said PJ.

"Thank you, PJ. Good-bye, everyone! Good-bye!" Strawberry said as she boarded the Dream Boat.

Everyone waved and cheered as the girls sailed back to Strawberryland.

The next morning a very angry Purple Pieman and Sour Grapes rode out of town, leaving Strawberryland in peace.

And guess what?

Strawberry believed in her dream so much that she did make her garden grow—with lots of water, sunshine, patience, and of course, love!

Decorate the berry patch with the stickers.
